

## GENERAL RULES

- **Quiet Time** – Midnight at Ramark Park we do not police our tenants we ask that everyone respects their neighbors and use best judgement
- **Guests** – Each tenant is responsible for their guests and children, which is why you need to be at your site when you have guests, no subletting to friends or family allowed
- **Children** – Ramark Park does not police our tenants nor do we baby sit your children. This includes your neighbors. Your children need to respect their own site as well as others. Children should not be running freely through other tenant's yards as they are not allowed to do that in the city unless invited or permitted. The green space was designed so that children had room to play
- **Children curfew** – your children are required to be back in your campsite by 10pm each night. Roaming after that time of night is only disruptive and they are up to 'no good'
- **No off-leash area** – Your dog must be on a leash at all times, even in your site, and NEVER left unattended
- **Dogs** – Please review our responsible Dog Owner Policy, doggie doo doo is to be picked up. If your children walk the dog ensure that they are responsible to pick up after them. Zero tolerance
- **Speed Limit** – speed limits signs are posted throughout the park. We have lots of children playing and no one should be in a hurry. Please abide by the posted limit of 8km
- **Parking** – Most sites are able to accommodate 2 vehicles plus an ATV
- **North Site Parking** – these sites were designed so that no vehicles were visible, only yard and green space. Each site can accommodate double parallel parking behind your unit as well as ATV parking up to your front trailer hitch
- **Overflow parking** is available at both ends of the park
